

PE - Sports Premium spending. September 2018 - July 2019

£7,758 carried over from 2018-19 + for 2019-2020

What we did/doing...	Because...	Impact...	Cost...
Appointed a Primary PE Specialist for 2 afternoons a week.	To continue to upskill all teachers across the school in the delivery of effective good PE lessons	Teachers to continue to consistently improve their skill levels and teach PE at a good level.	£5795
To change the sheet that the PE specialist uses when observing teachers at the end of a block of training.	We want the new sheet to highlight FSM, SEND, Vocabulary and language and Independence. This will tie into and support the teachers with their Matrix.	The feedback that teachers get will be more useful and linked to specific target groups by addressing the key teaching and learning areas of the PIP.	Included in above costs.
PE co-ordinator to observe teachers who were trained by the Sports specialist the previous half term.	To ensure that good practise and new skills and ideas are continuing.	PE co-ordinator should see improvements from the Areas for development left by the Sports specialist feedback sheet. Therefore creating sustained quality PE teaching and learning across the whole school and children's health and wellbeing.	Cover in Yr 1
Sports Specialist to deliver Sports Leadership training for a new group of year 6 children.	We wanted year 6 children to support KS1 at playtimes through sport.	Yr6 Sports Leaders using the Huff and Puff sports equipment to encourage and lead KS1 children to take part in sports activities on Thursday playtimes. This will also impact on behaviour in the playground.	£24 per half hour £644 for the year (Included in PE specialist costs) £100 to replace small apparatus
Football coach to umpire football games on Thursday playtimes.	To promote sportsmanship game playing and fun at playtimes	More children are playing football respectfully, safely and successfully.	£11 £396 per year (Included in PE specialist costs)

Sports Premium Spending

Brockhurst Primary School

Order Premier League equipment and to sort into appropriate Key stages.	It is free quality resources from the FA to run alongside our equipment for aiding the teaching of football.	Better and ore equipment enhances the teaching of football.	N/A
Block swimming lessons for Yr5 children and intensive sessions for Yr6 children who can't swim.	The National Curriculum requires that all children can swim before leaving primary school. Last year 73% of our Year 6 children left school being able to swim 25m, this year we would like a higher % to be able to swim 25m	80% or higher are able to swim by the end of KS2	Approximately £1500 NOT COMING OUT OF SPORTS PREMIUM MONEY £464 to provide year 6
Days taster session for Street dance followed by an after school club, partially funded by Sports Premium money	We want to offer alternative sporting activities to children who otherwise would not get the opportunity.	More, and a wider range of children will be interested and engaged in an alternative style after school club.	Morning session free afternoon session £55 Approximately £1500 (Not agreed yet).
Employ Dance specialist (Interg8) to coach and support teachers in delivering high quality dance curriculum.	Teachers have asked about CPD opportunities in Dance and would like to work alongside a dance coach.	Teachers will feel more confident in the delivery of dance.	£1,944
Book CM Sport to run BPS sports day.	Staff, children and parents enjoyed the experience that they had last year. It cater for the different needs we have in school. (See feedback in shared resources, PE)	Talk to CM Sport about the running events, which parents said were too long and to have medal ceremony facing the parents. Sports Day has been booked for 28th June.	CM Sport to run day £450
Sports specialist to support year 1 teachers in the delivery of tri-golf using the new planning.	Tri-golf is new to the year 1 curriculum and staff have never used it before. Tri-golf was recommended as a good PE tool for Year 1 children to experience.	Year 1 children enjoy the new experience of playing Tri-golf and improve their hand eye co-ordination.	N/A

Sports Premium Spending

To purchase new small equipment for both campuses to ensure that there is enough apparatus to enable teachers to teach form the curriculum. Sports specialist to support teachers in the delivery of tri-golf to year 1 using the new planning.	Equipment gets lost or damaged and needs replacing. Tri-golf is now a curriculum activity taught in new planning in year 1	New PE plans are taught to a high standard (as evidenced by the PE Specialist) and equipment is available to do this. Tri-golf is taught in year 1 and plans are followed with success. An increase in children's hand eye co-ordination is apparent in other sports.	£500 Approx £300
Purchase insurance for football liability to enable coach to run Brockhurst football team.	To give children opportunities to participate in competitive football.	Children gain experience in competing in a football team.	£96
Contribution to Grange school towards trophies and medals	We are participating in the inter school football competitions.	Children has experience of competing at a competitive level.	£?
