School Disco's-

North campus 25th May, South campus 26th May

Summer Fayre-

Saturday 11th June 11-3pm

Family Thank you day-

Thursday 16th June (after school event)

What have we been doing since December!

Since the new academic year started, we have been getting back into the swing of having events again! November, we held our annual firework show it gave us the bang to the year we needed to get going! December was an incredible busy month with the Christmas Market which was very touch and go due to storm Barra! With all the help from our volunteers and stall holders it was a success. So far, we have raised £950 from these events alone. Then it was quickly all hands-on deck for the Christmas shop where it was lovely to see all the Childrens smiling faces and the thought that they put in to picking out their gifts. (We hoped you liked them!) Every year we buy each classroom a present- This was picked out by their teachers. Currently we have the living chicks over on the North Campus. Some parents recently saw them at parents evening, but we have heard some great stories from the children who have been watching them hatch and have done some amazing pieces of work about them!

What we're raising money for.

In addition to our regular contributions, we are also currently raising funds for two bigger projects!

The revamping of the library on North campus, making it into an area where imagination can run wild and giving some new lease of life to the current area known as the "stick area", which is between the playground and the field on the South campus.

The children will be involved with what they would like to see in both of these areas.

How can you help.

Currently we are accepting donations of outgrown uniform- This will be for the second-hand uniform stall.

Do you have any unwanted Christmas presents?
Unused toiletries and small gifts.

We are always happy to accept donations for our events. Drop off to either of the school offices.

What we do.

FOB organise events throughout the year for all to enjoy. Alongside the main events such as the Summer/ Christmas Fair and Fireworks night. We do smaller events for the children to enjoy while also raising money for the school.

Head over to our page on the school's website to see a full list of what we do behind the scenes.
