

Magical Maths is due to start at Brockhurst Primary School on **Thursday 2nd March** running for five weeks at £37. It's set to be AWESOME!

The children will be practising their maths in a fun and engaging club by playing games, learning tricks and having fun! ☺

The **North Campus** club is 3:20 – 4:20pm. The **South Campus** club is 3:30 – 4:30pm.

Each week has a different theme and a dressed up character including Professor Poopenshtinken (maths genius), Stately Holmes (the maths detective), The Mathemagician, and the Olympic Mathletes!

If you would like a place simply sign up at www.magicalmathsclub.com

or call me on 02392 983505 for more information or to book a space

Can't wait to see you there!
