Stubbington Residential Trip 2025

Dear Parent/Carers,

Thank you for confirming your child's place at the Stubbington residential next year and for any payments you have made.

You will already be aware from previous communications that the school is facing financial pressures and we are having to consider whether trips and residential are financially viable.

Unfortunately, we have had to take the difficult decision that it is not financially viable for us to continue to run the Stubbington residential which incurs a loss to the school each year. In addition to the pressure on the school budget, we are also very conscious of the current pressures on household budgets with the high cost of living.

Refunds for payments which have been received will be made by cheque after half term. Please can we ask you to bear with us whilst we issue the cheques as it is a time consuming process.

We would like to apologise for cancelling the residential, but would like to assure you that we are planning an innovative, low-cost activity day for the children to take part in. This will be organised at school and will add enrichment to their learning. This activity will take place with little or no cost to families.

Kind regards,

Mrs S Kohli
