Respect & Ownership Challenge

Dear Parents and Carers,

As part of our ongoing commitment to supporting strong character development and a positive school culture, each week we continue to focus on our CORE values. These values are central to helping our children grow into responsible and considerate individuals, both in and out of the classroom.

This week, we introduced a **Respect Challenge** across the school. The challenge encouraged children to demonstrate respect to everyone around them, both in their classrooms and throughout the school, for e.g., lining up respectfully, walking to assembly respectfully, being respectful when learning. Staff were on the lookout for positive actions and behaviours, and when a class was observed showing respect collectively, they earned a "respect tick" on their chart.

At the end of the week, the class with the most respect ticks receive a special reward. The reward could be a non-uniform day, an extra break, a games afternoon or even breakfast for the whole class!

I am delighted to share that **Brighton Class** earned the most respect ticks and has won this week's reward for being so respectful. Their prize will be a **non-uniform day** on **Monday, 8th December**.

Please note, this reward applies only to **Brighton Class**.

We ask that sensible footwear is worn, that children wear weather appropriate clothing, and remember to bring in a coat. If your child's class is due to have PE on Monday, please ensure that their non-uniform choice is safe and functional for physical activity.

We are so proud of the children for embracing this challenge, and we look forward to starting the respect challenge again from Monday!

Thank you for your ongoing support!

Mrs. Kohli
