Courage Ownership Respect Excellence

Dear parents and carers,

As we come to the end of another wonderful school year, I want to take a moment to reflect on what an incredible year it has been. Our children have experienced so many exciting opportunities, from welcoming a wide range of visitors during our Aspirations and Enterprise Week, to memorable educational visits including Longdown Dairy Farm, Marwell Zoo, residential experiences and Paultons Park. Every year group has enjoyed enriching experiences that have created lasting memories, making this a truly jam-packed year full of learning, laughter and achievement.

Of course, one of our biggest milestones has been our successful move to one site. Thank you once again for your patience, understanding and support throughout this significant transition. Looking ahead, we already have exciting plans for the upcoming school year, including the refurbishment of our boys' toilets. I will keep you updated over the summer regarding arrangements, as building projects don't always go exactly to plan. This may mean temporary toilet facilities for our boys for a short period in September, but we will ensure any disruption is kept to an absolute minimum.

I would also like to extend a heartfelt thank you to our wonderful Friends of Brockhurst. Their dedication and fundraising efforts throughout the year, alongside your generosity and support, have made a fantastic contribution towards our new climbing frame. This is something the school simply could not have funded alone, and together you have created a lasting legacy that will be enjoyed by generations of Brockhurst children.

Finally, I wish you all a safe, happy and restful summer break. Thank you for your continued support throughout the year - it is a privilege to work alongside such a wonderful school community. We look forward to welcoming all of our children back on Thursday 3rd September for the start of another exciting school year.

Drop Off Time Change

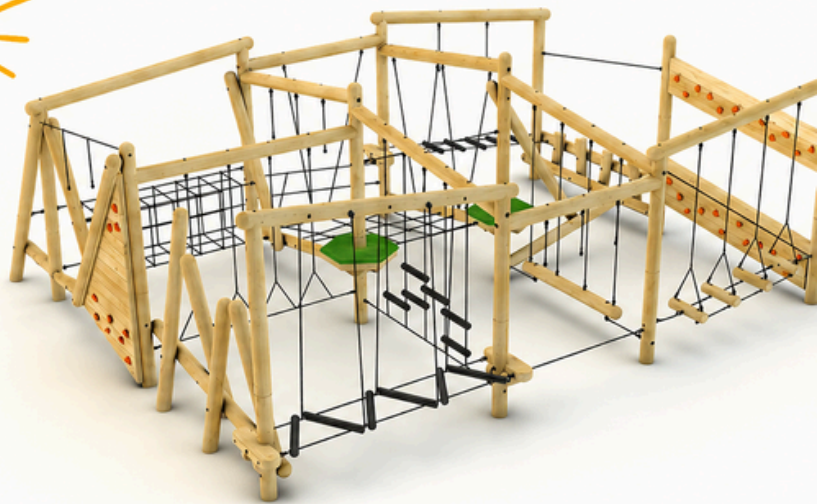

In September our drop off window will be from 8:35am to 8:45am, Registration will begin at 8:45am. Home time will still be at 3:15pm. We allowed 15 minutes for drop off throughout the summer term as we transitioned to one-site.

Playground Equipment Loading...

We are so excited!

We are thrilled to share that this fantastic climbing and adventure equipment will be **installed in September!**

This exciting new addition will give our children even more opportunities to play, explore, challenge themselves and build confidence – all while developing teamwork, resilience and physical skills.

This could not have been achieved without the incredible fundraising efforts of **Friends of Brockhurst.**

A huge thank you also goes to our whole school community. By supporting events, attending activities and giving so generously, you have helped make this dream a reality for our children.

We can't wait to see the children enjoying this brilliant new space and creating wonderful memories together.

Thank you, Brockhurst family – you are amazing!

♥ **Your support makes such a difference!** ♥

Policy Updates

Throughout the year, we regularly review and update our school policies to ensure they remain current, reflect the latest statutory guidance and continue to support the needs of our school community. All updated policies are reviewed and approved by our Governing Body before being adopted. All policies are updated at certain points of the year, therefore you will be updated as and when these are reviewed and adopted. Goodbye and Goodluck

As we come to the end of another successful school year, we also say farewell to some valued members of our Brockhurst family, while looking forward to welcoming new colleagues in September. We are incredibly grateful for the commitment, care and dedication our staff bring to our school each day, and we thank those who are moving on for everything they have done for our children and community.

We say goodbye to Mrs. Marshall, who joined Brockhurst in 2022 as our Year R Teacher and Early Years Lead. She has made a significant contribution to our school and has positively impacted the lives of so many children and families. We thank her for her dedication and wish her every success in the future.

We also say farewell to Mr. Taylor, our Site Manager, who retires in August. We are incredibly grateful for his hard work in keeping our school safe, welcoming and well maintained, particularly his invaluable support during our move to one site. We wish him a long, happy and well-deserved retirement.

We wish Mrs. Berry every success as she begins a new role as a Learning Support Assistant at another local school and thank her for the care and support she has given to our children.

We also say goodbye to Miss Chamberlain, who has left our school office team to join another local school. We wish her every happiness in her new role and thank her for all her hard work at Brockhurst.

As we say goodbye, we are equally delighted to welcome Miss Clarke, who will teach Mawgan Porth Class (Year 5/6) from September. We know she will be a fantastic addition to Team Brockhurst, and we look forward to welcoming her into our school community.

We would also like to take this opportunity to thank Claire Parsons for an incredible 17 years of dedication to the Friends of Brockhurst. Through her tireless commitment, enthusiasm and countless hours of fundraising, Claire has helped provide so many wonderful opportunities and resources for our children. Her contribution to Brockhurst has been truly remarkable, and we are immensely grateful for everything she has done.

Our sincere thanks also go to Pat and Adi, who have been an integral part of Friends of Brockhurst over the years. We are delighted that they will continue to support our new PTA behind the scenes, sharing their experience and knowledge.

As one chapter comes to a close, another begins. We are excited to welcome our new Friends of Brockhurst committee, who will officially begin in September. Thank you for volunteering your time to support our school community. We know you will do a fantastic job, and we look forward to working together to create many more wonderful opportunities for our children.

To those who are leaving, thank you for everything you have done for Brockhurst Primary School. You will always be a valued part of our school's story, and we wish you every success and happiness in the future.

Summer Reading Challenge

We would love as many of our children as possible to take part in this year's Summer Reading Challenge, Read to the Beat! The challenge is a fantastic way to keep children reading over the summer holidays while having lots of fun. Simply sign up at your local library, enjoy reading throughout the break and complete the challenge. When your child returns to school in September, they can proudly bring their certificate to show Mrs. Kohli and they will receive a special prize during our Celebration Assembly to recognise their fantastic achievement. We can't wait to celebrate all of our Brockhurst readers!

Water Safety

WATER SAFETY

Stay safe. Have fun. Enjoy the water. ♥

DROWNING IS ONE OF THE LEADING CAUSES OF ACCIDENTAL DEATH IN CHILDREN IN THE UK.

MOST INCIDENTS ARE PREVENTABLE.

As the weather warms up, children and young people spend more time around water – at home, on days out or on holiday. Let's keep them safe.

Almost half of drownings occur during the summer months when temperatures are higher – especially when 25°C or above.

THE HSCP WATER SAFETY TOOLKIT FOR PARENTS & CARERS INCLUDES:

EVERYDAY RISKS AT HOME

Including bath time safety and garden hazards.

STAYING SAFE OUTDOORS

Such as the beach, around rivers and in open water.

PRACTICAL SAFETY ADVICE

Including the Water Safety Code and how to "Float to Live".

AGE-SPECIFIC GUIDANCE

For babies, young children, older children and teenagers.

WHAT TO DO IN AN EMERGENCY

Including simple first aid steps and where to find further support.

Small actions, big difference ♥

- ✓ Keep children within arm's reach of water.
- ✓ Choose safe places to swim.
- ✓ Talk to your children about water safety.

Together, we can help prevent tragedies and keep our children safe this summer.
