STAY THE COURSE,
RAISE THE STANDARD

⚓ SUSTAIN - Embed what works.
🗺️ STRENGTHEN - Refine and improve.
🌅 STRIVE - Pursue excellence

Inclusion

Embed high-quality ordinarily available inclusive practice across all classrooms to ensure that all pupils, including those with SEND, can access learning, participate fully, and make strong progress.

Curriculum & Teaching

To strengthen the quality and consistency of teaching and the curriculum so that all pupils develop secure knowledge, skills and fluency and achieve strong outcomes across the curriculum.

Achievement

To sustain and further improve pupil achievement across the school, ensuring that all pupils, including disadvantaged pupils and those with SEND, make strong progress from their starting points and achieve well across the curriculum, with outcomes at the end of KS2 at least in line with national expectations.

Attendance and Behaviour

To strengthen attendance and sustain high standards of behaviour so that all pupils attend regularly, feel safe and supported, and benefit from a calm, consistent and positive learning environment that enables them to thrive.

Personal Development & Well-being

To ensure pupils' personal development prepares them to become confident, responsible and respectful individuals who understand their rights and responsibilities, contribute positively to their community and are well prepared for life in modern Britain.

Leadership & Governance

To strengthen leadership and governance at all levels, developing confident and effective leaders and governors who drive improvement, provide robust challenge and accountability, and evaluate the impact of their work on the quality of provision and pupil outcomes.
